

# GIANT ALIEN FORM LANDS IN TINY, UPSTATE VILLAGE

Catskill, NY. The sudden arrival of noted artist Jason Hackenwerth's amazing sculpture, *AVIARY\* REIMAGINED*, from a major NYC museum has inspired spontaneous smiles among denizens of this quiet community, as elements of the 6000-balloon creation have materialized in locations throughout Catskill.

Photo by Kristopher McKay

Says Village President Vincent Seeley, "After an endless winter, the air of excitement generated by this unexpected occurrence has raised spirits sky high." Do not miss this uplifting experience!
