## The County Initiative Program

**This regrant program is made possible by the Greene County Legislature through an annual allocation of funds in the county budget.**

Since 1983, the Greene County Legislature has allocated funds to the Greene County Council on the Arts for regranting to major arts and cultural organizations in Greene County. Through this regrant program, the county can take a more active role in the delivery of arts programs and services within the county and encourage organizations to cooperate and collaborate with each other and with their respective county government. With invaluable support from the Greene County Legislature, these goals have been accomplished and continue to have a positive impact on the state of the artistic and cultural quality of life in Greene County.

The purpose of this program is to provide general operating or programmatic support to major Greene County organizations that offer quality professional services and programs of benefit to the residents of Greene County. This funding is intended to promote the development, growth and viability of major cultural organizations.

Organizations receiving funds from state and federal agencies, including the New York State Council on the Arts, should apply to this fund.

Organizations applying through the NYSCA Decentralization Program **may not apply** to this program.

- Organizations must have been resident in Greene County for at least two years.
- Provide regularly scheduled or full seasonal cultural programs and/or services in Greene County.
- Generally, have annual operating budgets in excess of \$20,000 including in-kind contributed services and goods.
- Previously funded organizations **must** have submitted a final report to be eligible for future funding. Any organization that has not submitted a final report will be ineligible for consideration.
- Read the guidelines to determine your eligibility for the County Initiative Program. If you have questions or are a new applicant, please call or email Marline A. Martin, GCCA Executive Director, at 518-943-3400; [executivedirector@greenearts.org](mailto:executivedirector@greenearts.org) or [gcca@greenearts.org](mailto:gcca@greenearts.org).
- Complete the application. Pay strict attention to application requirements as failure to submit complete application materials may negatively affect your application.
- Submit three (3) copies of completed applications with required documentation to the: **Greene County Council on the Arts by **March 15, 2019****. If you are mailing the application, it must be postmarked by this date. **No late applications will be accepted.**

### Applicant must have the following:

6. Demonstrated need for funding.
7. **Complete application** with supporting materials.

## Funding Period

**Organizations may apply for funding for programs or projects taking place between January 1 and December 31, 2019.**

## Funding Priorities

These areas of concern are particularly encouraged:

- Applicants who attract audiences with quality cultural events and productions.
- Applicants who provide cultural services and opportunities to segments of Greene County's residential population which have had relatively little exposure to them in the past.
- Applicants who provide diversified, "fresh" arts programming to the community.
- Applicants who present "under-exposed" art forms, thereby exposing their community to a more global sense of art.
- Applicants who create opportunities for Greene County artists whose talents have been under-utilized within that agency or geographic area.
- Collaborative projects of two or more organizations.

☞ Panel support of an organization in the past does not imply that support will be provided in 2019

☞ With each application, organizations are reviewed anew in the context of current Funding Priorities.

## Review Criteria

- ☞ The Panel will evaluate applications according to these criteria.
- ☞ Applicants receiving repeated funding should be aware that the Grants Panel expects to see indications of organizational or programmatic growth.
- ☞ Repeating applicants who have not submitted a Final Report will not be considered for funding.

## Appeals Procedure

- ☞ Dissatisfaction with amount of the award is not justification for an appeal.

## Application Requirements

- ☞ New applicants are required to contact the Greene County Council on the Arts for eligibility assistance.

## Documentation

- ☞ Proof of not-for-profit status is required.
- ☞ Your own detailed budget with explanations, *if necessary*, should accompany the application.

- Artistic or cultural merit of proposed project or service
- Prospective benefit to Greene County residents
- Credentials of artists or scholars involved in project
- History and stability of applicant
- Clearly-defined objectives and ability to achieve stated objectives
- Demonstrated community interest and/or constituent support
- Demonstrated need for funding
- Non-duplication of comparable existing programs or activities in the same artistic discipline and/or geographic area
- Compliance with previous filing requirements including final reports

An applicant requesting an appeal must submit a letter to the Executive Director of the Greene County Council on the Arts stating the reason for the appeal. This letter must be received within ten working days after funding notifications have been made. A negative decision regarding funding, or dissatisfaction with the amount of the award, is not justification for an appeal. There are three grounds for appeal: (1) non-presentation of information, (2) misrepresentation of information, or (3) improper procedure.

All applicants should notify the Arts Council of intent to apply, email or phone, prior to **March 1, 2019**. Applicants may request individual assistance by calling Marline A. Martin, GCCA Executive Director, at 518-943-3400.

1. **Applications must be typed, not handwritten.**
2. **Send three (3) copies (*one with original signature*)** of the completed application form, together **with all required supporting materials** (*as indicated on the application form and below*) to the GCCA.
  - Proof of not-for-profit status (*see page 2*)
  - List of Board of Directors and current staff (paid or volunteer)

- In **May 2019**, you will be notified by e-letter of the decision regarding your application. At that time you will receive forms for revisions of your project and/or budget which are to be completed and returned to the Council. You may appeal the decision at this time (see *Appeals Procedure* page 3).
- In **June 2019**, contracts will be drawn up and mailed to award recipients. All contracts must be received before we can get authorization from the county to release funds. **All contracts must be received within 60 days or funds will be redistributed among complying awardees.**
- Audits of funded event will take place throughout the year to monitor your compliance with the spirit of the project and with your contract. Whenever possible, advance notice of an audit will be given. Auditors will complete a form for inclusion in your file.

In order to provide for balanced panel representation, the Cultural Fund annually solicits recommendations for potential grant panelists from Greene County. Generally, five or more panelists serve in any given year. Terms are for three years or to fill replacements. Panel duties include: attendance at an orientation meeting and all review meetings (usually held in January); assistance with the auditing process (throughout the year); attendance at an annual awards ceremony. Panelists are appointed by the Arts Council's Board of Directors.

To ensure a balanced panel, the selection process includes the following considerations: representation from various artistic disciplines; community representation; geographic representation; ethnic and minority representation; age and sex representation. Emphasis is placed on the candidates' awareness and appreciation of the arts and the community in which we live, willingness to serve, and non-affiliation with applicant organizations. *Panelists must reside in Greene County*. Anyone interested in serving as a grant panelist is asked to send their resume and contact Marline at the GCCA for further information. If you or your organization would like to recommend a potential panelist, please submit your candidate's name, address, and phone number along with a brief explanation of why your candidate would be suitable.
